Manager Stocksdale Anxious to Work Out Men of His Squad.

[Special to The Times-Dispatch.] Barley and Infielder Cooney, of Dayton, Ohio, reported this morning to the lecal management, and these man complete the squad of players who have with the exception of Catener McCormac, one of the trio bought a few weeks ago from Raleigh.

Manager Stocksdale has just hear from McCormac, having been unable to locate him for some weeks. Cormae wrote from Savannah, and it is expected that he will join the Shoc-

makers shortly.

The rain to-day gave the Shoemak ers another day of idleness, and the men are anxious to get to work. With practically the entire bunch on hand, good weather will be welcomed by Manager Stocksdale, for he now has his first opportunity to get in his best licks in the matter of whipping hi

The Shoemakers ought to be getting into fair shape by the last of next week, if the weather clears by tomorrow or next day, for there are games scheduled each day this week, after to-day, with only one idle day next week. Two games are scheduled with Buffalo, which team will be here Monday and Tuesday. On Thursday and Friday the strong Toronto team, of the Eastern, will play the locals, and on Saturday Frank Doyle bringes his Greensboro aggregation to start a three-game series.

To-morrow the second division of the Philadelphia Athletics are scheduled for the Fair Grounds. Manager Connie Mack comes here with the team, which will probably get in this evening or early to-morrow morning. Thursday the Brooklyns are here, and Friday and Saturday the first team of the Boston Nationals will play at the Fair Grounds.
